

# 9. Let's Build a Snowman

Words and music by Trey Parker

Noon: I don't wanna die. I don't wanna die!  
 Bell: Yes, the snow is deep.

$\frac{Gm}{D}$ 
 $\frac{A7(b5)}{E^b}$ 
 $D7sus4$ 
 $\frac{G(add2)}{D}$ 
 $\frac{C(add2)}{E}$

Slow and quite serious *mp* Swan:

Some - times the world is black, and

*f pesante* *mf* *p sadly*

$\frac{G(add2)}{D}$ 
 $\frac{C(add2)}{E}$ 
 $\frac{G(add2)}{D}$ 
 $\frac{C(add2)}{E}$

5 3

tears run from your eyes. And may-be we'll all get real-ly sick, and

$\frac{Gm}{D}$ 
 $\frac{A7(b5)}{E^b}$ 
 $D7sus4$ 
 $\frac{f}{G}$

9 8 Inappropriately manic

may - be we'll all die. So let's build a snow - man. We can make him our best

*mf pesante* *f*

14 C G D

friend. We can name him Bob; we can name him George. We could make him

20 C G

tall or we could make him not so tall! Snow-man.

26 F G F

He'll have a hap-py face, a hap-py smile, a hap-py point of view. If you build me a

32 D G

snow-man, then I'll build one for you! So let's build a snow-man. We can make him our best

38 C G D

friend. We can name him Bob, or we can name him Be-o-wulf! We can make him

44 C G

tall or we can make him not so tall! Snow-man. Hey!

51 (no chord)

(Tap break)

*mp*

58 A5 B5 C5 C#5

*f pesante*

65 D (no chord) G

He'll have a

71 F G F

Miller: This fucker's gone completely nuts.

hap-py face, a hap-py smile, a hap-py point of view. If you build me a snow-man, then

77 D C D

I'll build one for you! Snow - man, snow - man,

83 G

snow - man!
