### **"You Haven't Done Nothing"**

DELFINO (PILLO)  
MINGO  
REFUGIO (CUCO)  
ARTURO

We are amazed but not amused  
By all the things you say that you'll do  
Though much concerned but not involved  
With decisions that are made by you

But we are sick and tired of hearing your song  
Telling how you are gonna change right from wrong  
'Cause if you really want to hear our views  
"You haven't done nothing"!

It's not too cool to be ridiculed  
But you brought this upon yourself

The world is tired of pacifiers  
We want the truth and nothing else

And we are sick and tired of hearing your song  
Telling how you are gonna change right from wrong  
'Cause if you really want to hear our views  
"You haven't done nothing"!

Jackson 5 join along with me say  
Doo doo wop - hey hey hey  
Doo doo wop - wow wow wow  
Doo doo wop - co co co  
Doo doo wop - naw naw naw  
Doo doo wop - bum bum bum  
Doo doo wop

We would not care to wake up to the nightmare  
That's becoming real life  
But when mislead who knows a person's mind  
Can turn as cold as ice un hum

Why do you keep on making us hear your song  
Telling us how you are changing right from wrong  
'Cause if you really want to hear our views  
"You haven't done nothing"!  
Yeah

Jackson 5 sing along again say  
Doo doo wop  
Doo doo wop - oh  
Doo doo wop - co co co  
Doo doo wop - sing it baby  
Doo doo wop - bum bum bum  
Doo doo wop - um  
Sing it loud for your people say  
Doo doo wop - um um um

Doo doo wop - stand up be counted, say  
Doo doo wop - co co co  
Doo doo wop - ow  
Doo doo wop - bum bum bum  
Doo doo wop - ah hum

**"Ribbon In The Sky"**

Oh so long for this night I prayed  
That a star would guide you my way  
To share with me this special day  
Where a ribbon's in the sky for our love

If allowed may I touch your hand  
And if pleased may I once again  
So that you too will understand  
There's a ribbon in the sky for our love

Do...Do...  
Do Do Do Do Do...  
HMM HMM...

This is not a coincidence  
And far more than a lucky chance  
But what is that was always meant  
Is our ribbon in the sky for our love, love

We can't lose with God on our side  
We'll find strength in each tear we cry  
From now on it will be you and I  
And our ribbon in the sky  
Ribbon in the sky  
A ribbon in the sky for our love

Do...Do...  
Do Do Do Do Do...  
HMM HMM...

*[Musical Break]*

There's a ribbon in the sky for our love

## **"Uptight (Everything's Alright)"**

Baby, ev'rything is all right, uptight, out of sight.  
Baby, ev'rything is all right, uptight, out of sight.

I'm a poorman's son, from across the railroad tracks,  
The only shirt I own is hangin' on my back,  
But I'm the envy of ev'ry single guy  
Since I'm the apple of my girl's eye.  
When we go out stepping on the town for a while  
My money's low and my suit's out of style,  
But it's all right if my clothes aren't new  
Out of sight because my heart is true.

She says baby ev'rything is alright, uptight, out of sight.  
Baby, ev'rything is alright, uptight, clean out of sight.

She's a pearl of a girl, I guess that's what you might say,  
I guess her folks brought her up that way,  
The right side of the tracks, she was born and raised  
In a great big old house, full of butlers and maids.  
She says no one is better than I, I know I'm just an average guy,  
No football hero or smooth Don Juan,  
Got empty pockets, you see I'm a poorman's son.  
She says give her the things that money can buy  
But I'll never, never make my baby cry,

And it's all right, what I can't do,  
Out of sight because my heart is true,  
She says baby ev'rything is alright, uptight, clean out of sight.  
Baby, ev'rything is alright, uptight, clean out of sight.  
Baby, ev'rything is alright, uptight, ah ah ah ah,  
Baby, ev'rything is alright, uptight, clean out of sight.  
Baby, ev'rything is alright, uptight, clean out of sight.

## **"Isn't She Lovely"**

Isn't she lovely  
Isn't she wonderful  
Isn't she precious

Less than one minute old  
I never thought through love we'd be  
Making one as lovely as she  
But isn't she lovely made from love

Isn't she pretty  
Truly the angel's best  
Boy, I'm so happy  
We have been heaven blessed  
I can't believe what God has done  
Through us he's given life to one  
But isn't she lovely made from love

Isn't she lovely  
Life and love are the same  
Life is Aisha  
The meaning of her name  
Londie, it could have not been done  
Without you who conceived the one  
That's so very lovely made from love

### **"Whereabouts"**

Where is the missing one, the missing one  
Where is the missing one, the missing one

There is a missing person that I've just got to find  
Now just how long they have been gone  
I can't say at this time  
I glanced outside my window surprisingly to see  
The reflection of a broken man who looked somewhat like me

I'm trying to find my whereabouts, what shall I do  
When nothing seems to follow through  
In me, trying to find my whereabouts, I'm turning blue  
But wait I may have found a clue  
My whereabouts are somewhere in yesterday with you

Where is the missing one, the missing one  
I looked inside an album of happy photographs  
To try to match the feeling  
In the joy I used to have

I travelled through the moments that held a special place  
But everytime what came to mind is that smile upon your face

I'm trying to find my whereabouts, what shall I do  
When nothing seems to follow through  
In me, trying to find my whereabouts, I'm turning blue  
But wait I may have found a clue  
My whereabouts are somewhere in yesterday with you

Where is the missing one, the missing one

I'm trying to find my whereabouts, what shall I do  
When nothing seems to follow through  
In me, trying to find my whereabouts, I'm turning blue  
But wait I may have found a clue  
My whereabouts are somewhere lost in yesterday with you

I'm trying to find my whereabouts, what can I do  
When nothing seems to follow through  
In me, trying to find my whereabouts, I'm turning blue  
But wait I may have found a clue  
My whereabouts are somewhere lost in yesterday with you

Where is the missing one, the missing one

### **"Overjoyed"**

Over time, I've been building my castle of love  
Just for two, though you never knew you were my reason  
I've gone much too far for you now to say  
That I've got to throw my castle away

Over dreams, I have picked out a perfect come true  
Though you never knew it was of you I've been dreaming  
The sandman has come from too far away  
For you to say come back some other day

And though you don't believe that they do  
They do come true  
For did my dreams  
Come true when I looked at you  
And maybe too, if you would believe

You too might be  
Overjoyed, over loved, over me

Over hearts, I have painfully turned every stone  
Just to find, I had found what I've searched to discover  
I've come much too far for me now to find  
The love that I've sought can never be mine

And though you don't believe that they do  
They do come true  
For did my dreams  
Come true when I looked at you  
And maybe too, if you would believe  
You too might be  
Overjoyed, over loved, over me

And though the odds say improbable  
What do they know  
For in romance  
All true love needs is a chance  
And maybe with a chance you will find  
You too like I  
Overjoyed, over loved, over you, over you

### **"With A Child's Heart"**

With a child's heart  
Go face the worries of the day  
With a child's heart  
Turn each problem into play  
No need to worry  
No need to fear  
Just being alive  
Makes it all so very clear  
That's with a child's heart  
Nothing can ever get you down  
With a child's heart  
You've got no reason to frown

Love, love is welcome  
As a sunny, sunny day  
No grownup thoughts  
To lead our hearts astray

Take life easy  
Easy like a child  
So gay and care free  
Yeah

Love, love is welcome  
As a sunny, sunny day  
The whole world smiles with you  
As you go your own merry way

'Cause with a child's heart  
Nothing can ever get you down  
With a child's heart  
We've got no reason to frown

## **"Fingertips (Part 2)"**
